

PUPPY APPLICATION

The first step in purchasing a bernedoodle or poodle puppy from Cry Woof LLC, is to fill out our Puppy Application Form. Completing the application in no way obligates you to place a deposit to get a puppy, it's simply the first step. Please Do Not place a deposit unless your puppy application is approved. Applications are reviewed within four to five working days and we will send a response. Once you have been approved and your deposit has been received, we will send you litter announcements allowing you to place your name on the waiting lists for a puppy! You also have the options of passing on litters up to two years after your deposit has been placed.
